

PatchCom *Quiltfest*

On Saturday, 12. September from 10.00am we'll be celebrating our

9th Quiltfest in Schönaich!

Together with the bakery next door we have a 'Hocketse' for the opening of the new market place in front of our shops.

This is why we will do a basket challenge!

To participate please sew a wallhanging with a basket, filled with anything you can purchase on a market, i.e. bread, vegetables, fruit, fish, flowers etc.

The small wall-hanging, including borders, should not be bigger than approx. 16 inch (40x40 cm) square size.

Technique: Sewn (this can be traditional, Sewn on paper, free form, appliqué, embroidered...), quilted und decorated.

Everything else we're leaving up to you.

Send the sewn baskets with your address to:

PatchCom, Karlstr. 22, 71101 Schönaich

The deadline is the 12. September 2009 – i.e the Quiltfest.

We'll display the baskets in our **PatchCom** shop until the 30 October 2009. All customers can vote within this period for their favorite.

The 4 wall hangings with the most votes will win a small prize from Patchcom. We'll also show the artworks on our website (www.patchcom.de) and on Birgit's blog (www.patchcom.blogspot.com).

In November, the artworks will head home.

We're already looking forward to seeing your baskets in the gallery!
